The Business Builder Group

All online success is built on stable ground. We are about to show you what it consists of so you can build your online future with us in confidence.

Keep one thing in mind, the most valuable thing will never be money, but your mind – so keep learning as long as you are alive. Part of an ongoing learning process must be your desire to advance your ability and desire to ask good questions based on critical observation and analytical thinking – do that first and you will discover how to make all the money you desire, if this remains the most important issue in your life.

Step One

*We are using **ORU**, a commission-free payment system for the reasons so well explained here in this video – just click the link below:*

Now [Register Your ORU Membership](#) with us.

Step Two

The **Business Builder Group** will be instrumental in offering you as our **ORU Team Member** some **Highly Viral Income Systems [HVIS]** which do a number of things:

- 1 - They all help you sign up new **ORU** members.
- 2 - Some are designed to produce extra **Income From Viral Traffic**.
- 3 - We also assist you as our member to host these **HVIS** on **AIOP**.

You can see examples by clicking - [Link 1](#) / [Link 2](#) / [Link 3](#)

Step Three

We strongly suggest hosting at **AIOP** and the following videos make a good point in both directions:

- A - Why **AIOP** is one of the **Best Products Available** for the price, and
- B - How the **AIOP Income Strategy** works and how to take part in it.

You get to be a **Member** of the **Business Builder Group** and start to earn money with us immediately by getting your own **ORU** and **AIOP** Affiliate Link from one of our Team Members who is also registered with the **ORU Instant Payment Club** - you will then get your own branded copy of this PDF file for your own use and our full support of hosting the **ORU Instant Payment Club** on your own **AIOP** web site.

Step Four

*With all this in place, you can now start to promote the whole system, or any part of it on **MLM Gateway** - an added quality income source - just click the banner here:*
